2 BACKGROUND

- 2.1 On 10 February 2009, the Commission initiated a complaint in terms of section 49B(1) of the Act into alleged prohibited practices relating to collusive conduct in the construction of the stadiums for the 2010 FIFA Soccer World Cup against Group Five, Grinaker-LTA (the construction operating business unit of Aveng), Basil Read (Pty) Ltd, WBHO Construction (Pty) Ltd, Murray & Roberts Limited, Stefanutti Stocks Limited, Interbeton Abu Dhabi nv llc and Bouygues Construction SA.
- 2.2 In addition, on 1 September 2009, following the receipt of applications for immunity in terms of the CLP, the Commission initiated a complaint in terms of section 49B(1) of the Act into particular prohibited practices relating to conduct in respect of construction projects, by the firms listed below. The complaint concerned alleged contraventions of section 4(1)(b) of the Act with regard to price fixing, market allocation and collusive tendering. The investigation was initiated against the following firms: Stefanutti, Aveng (Africa) Limited, Group Five Ltd, Murray & Roberts, Concor Ltd, G. Liviero & Son Building (Pty) Ltd, Giuricich Coastal Projects (Pty) Ltd, Hochtief Construction AG, Dura Soletanche-Bachy (Pty) Ltd, Nishimatsu Construction Co Ltd, Esorfranki Ltd, VNA Pilings CC, Rodio Geotechnics (Pty) Ltd, Diabor Ltd, Gauteng Piling (Pty) Ltd, Fairbrother Geotechnical CC, Geomechanics CC, Wilson Bayly Holmes-Ovcon LTD and other construction firms, including joint ventures.

2.3 The Commission's investigation of the above complaints, as well as several other of the Commission's investigations in the construction industry, led the Commission to believe that there was widespread collusion in contravention of section 4(1)(b)(iii) of the Act in the construction industry. Accordingly, in line with the purpose of the Act as well as the Commission's functions, the Commission decided to invite construction firms that were involved in collusive conduct to apply to engage in settlement on favourable terms. The Invitation was published on the Commission's website on 1 February 2011. This was also done in the interests of transparency, efficiency, adaptability and development of the construction industry, the provision of competitive prices, as well as in order to expedite finalisation of the investigations, under a fast track process. The Invitation specifically provided that it was open to firms to also apply for leniency in terms of the CLP.

2.4 In response to the Invitation and in terms of the Commission's CLP, G Liviero was first to apply for leniency in respect of 3 non-prescribed prohibited practices.

3 CONDITIONAL IMMUNITY

3.1 The Commission granted G Liviero conditional immunity from prosecution before the Tribunal for its involvement in cartel conduct described in paragraph 4 below.

In its CLP application, G Liviero disclosed its participation in the following prohibited practices or contraventions of section 4(1)(b)(iii) of the Act:

In terms of the agreement Edilcon provided a cover price to G Liviero in order to enable G Liviero to win the tender.

G Liviero was awarded the tender.

The project was for the Sunninghill East development which was a part office and part shopping centre development in Sunninghill. The client was RFC Development (Pty) Ltd. The project was completed around July 2009.

The project was for the construction of the Mooi Rivier Mall in Potchefstroom. The project was completed in June 2011.

4.3 The Peter Mokaba Stadium, Project (Polokwane)

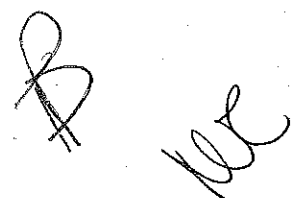

In or about 2006, G Liviero reached an agreement with Concor in terms of which these parties agreed on a cover price in relation to the Peter Mokaba Stadium project.

In terms of the agreement, Concor provided a cover price to G Liviero so that G Liviero could submit a non-competitive bid. In line with the collusive agreement, Concor submitted a lower price than G Liviero. The tender was, however, awarded to WBHO.

The project was for the construction of a new sports stadium and complex in Polokwane, for the Polokwane Municipality.
