- 1.5. **"Consent Agreement"** means this agreement duly signed and concluded between the Commission and OVK;
- 1.6. **"Grain Silo Industry (Pty) Ltd"** is a private company duly incorporated in accordance with the company laws of the Republic of South Africa, having its registered offices at Lynwood Corporate Park, Alkantrantstraat, Lynwood Manor, Pretoria, Gauteng Province. The GSI, amongst others, represents its members in public forums wherein matters related to the storage and trading of grain and oilseeds are discussed and provides specialist research services that members may request on an ad-hoc basis. The GSI represents its constituent members in interactions with the Agricultural Products Division of the Johannesburg Stock Exchange (the "APD" previously "SAFEX").

- 1.7. "OVK" means OVK Operations Limited, a company registered and incorporated in accordance with the laws of the Republic of South-Africa with registration number 1999/004069/06 and with its registered office, in the alternative its main place of business, at 19 Dan Pienaar Street, Ladybrand, Free State, 9745;

- 1.12. "Tribunal" means the Competition Tribunal of South Africa, a statutory body established in terms of section 26 of the Act, with its principal place of business at 3rd Floor, Mulayo building (Block C), the dti Campus, 77 Meintjies Street, Sunnyside, Pretoria, Gauteng.

2. The Complaint and Complaint Investigation

- 2.1. On 17 March 2009 the *Commissioner* initiated a complaint against Afgri Operations Limited ("Afgri"), Senwes Limited ("Senwes"), Noord-Wes Koöperasie Limited ("NWK"), OVK Operations Limited ("OVK"), Suidwes (Pty) Limited ("Suidwes"), Vrystaatse Koöperasie Limited ("VKB") and the Grain Silo Industry ("GSI") for alleged contravention of section 4(1)(b)(i) of the Act, in the form of fixing day storage tariffs for grain stored in silos.
- 2.2. The investigation revealed that the storage rate is agreed to and assented to not only by the entities against whom the original complaints initiation was made, but by all members and shareholders of GSI. In the circumstances, on 25 May 2010 the *Commissioner* expanded the investigation to refer to all seventeen (17) respondents.

2.3. The *Commission* conducted its investigation and concluded that:

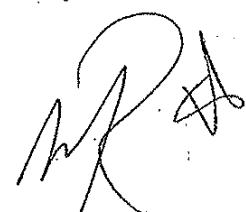

2.3.1. the *respondents* and *GSI* have contravened section 4(1)(b)(i) of the Act. The essence of the conduct complained of is that the *respondents* and *GSI* have contravened section 4(1)(b)(i) of the Act in that they fix the prices of the daily storage tariff for the storage of grain. This is done for application throughout the Republic. The first to sixteenth *respondents* are all former cooperatives who own grain storage silos and provide other agricultural services and are competitors in the market for grain storage.

2.4. The *Commission* found that:

2.4.1. Notwithstanding the fact that they are competitors, the first to sixteenth *respondents* are all shareholders or members of the *GSI*. Although the *GSI* is a private company, it amounts to an industry association for members of the grain storage industry. *SAFEX* placed the onus for the determination of the storage rate on the *GSI* on the basis that it had the necessary knowledge and understanding of the costs involved in providing storage. Until 2008, *SAFEX* requested the standardised tariff from the *GSI* on an annual basis. In 2008, as is set out below, the *GSI* declined to provide the standardised storage tariff to *SAFEX* any longer on account of the *Commission's* contentions that it and its members were contravening section 4(1)(b)(i) of the Act.

2.4.2. It was the *GSI's* technical committee that was responsible for fixing the daily storage tariff on behalf of the *GSI* and its members. In response to requests from *SAFEX*, the *GSI* consulted its shareholders. The shareholders submitted individual proposals as to the appropriate storage rate to *GSI*. These rates were collated and evaluated by the *GSI's* technical committee, the members of which are from competing silo companies. The technical committee then decided on a rate and this was then submitted to *SAFEX* on behalf of *GSI* and its shareholders.

2.4.3. The essence of the conduct complained of is that the daily storage tariff proposed by *GSI* is agreed to and assented to by all of the

respondents. Given that the first to sixteenth respondents are all competitors in the provision of storage services, the joint determination of the daily storage rate amounts to prohibited price fixing in that it quite simply amounts to an agreement between firms in a horizontal relationship for the direct fixing of storage prices.

- 2.4.4. The manner in which the *SAFEX* storage tariff is determined is, in the Commission's view, restrictive of competition. In addition, the storage tariff determined for *SAFEX* purposes has been used to determine storage fees in respect of sales transactions in the physical market. This amounts to collusion.

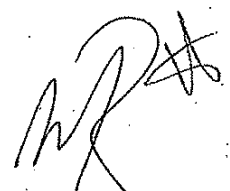

- 2.5. The *Commission* took a decision to refer to the *Tribunal* its complaint that is described above.

3. **Statement of conduct by OVK**

OVK admits that it participated, as a member of the GSI, in the fixing of the daily grain storage tariff in contravention of section 4(1)(b)(i) of the Act as described above.

4. **Administrative Penalty**

- 4.1. Having regard to the provisions of sections 58(1)(a)(iii) as read with sections 59(1)(a), 59(2) and 59(3) of the Act, OVK accepts that a contravention of section 4(1)(b)(i) may lead to the imposition of an administrative penalty where the *Tribunal* deems it appropriate.
- 4.2. The parties have agreed that OVK will pay an administrative penalty in the amount of R 375 615.
- 4.3. This amount constitutes 4% (four per cent) of the total grain silo storage turnover for the 2009 financial year.
- 4.4. OVK will pay the amount set out in paragraph 4.2 above to the *Commission* within two months from the date of confirmation of this *Consent Agreement* by the *Tribunal*.

Bank name: Absa Bank
Branch name: Pretoria
Account holder: Competition Commission Fees Account
Account number: 4050778576
Account type: Current Account
Branch Code: 323 345

- 4.6. The payment will be paid over by the *Commission* to the National Revenue Fund in accordance with section 59(4) of the Act.

5. **Agreement Concerning Future Conduct**

- 5.1. *OVK* agrees to fully cooperate with the *Commission* in relation to the prosecution of the complaint referral. Without limiting the generality of the foregoing, *OVK* specifically agrees to:

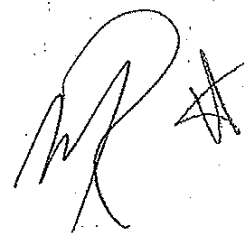

- 5.1.1. Testify in the complaint referral (if any) in respect of alleged contraventions covered by this *Consent Agreement*; and

- 5.1.2. To the extent that it is in existence, provide evidence, written or otherwise, which is in its possession or under its control, concerning the alleged contraventions contained in this *Consent Agreement*.

- 5.2. *OVK* agrees that it will in future refrain from participating in activities that contravene section 4(1)(b) of the Act.

- 5.3. *OVK* shall develop, implement and monitor a competition law compliance programme incorporating corporate governance designed to ensure that its employees, management, directors and agents do not engage in future contraventions of the Competition Act. In particular, *OVK* shall:

- 5.3.1. draft and implement a competition policy and compliance programme;

A handwritten signature, possibly 'MR', followed by a large, stylized star or asterisk symbol.

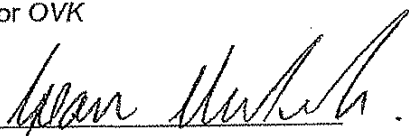

- 5.3.2. provide training on competition law compliance on issues particularly relevant to OVK and its employees and officials;
- 5.3.3. provide training on competition law compliance to all relevant persons and/or officials employed by OVK after the confirmation of this *Consent Agreement* by the Tribunal;
- 5.3.4. update the competition policy and training annually to ensure OVK's continued compliance with the Act.
- 5.4. OVK shall submit a copy of such compliance programme to the Commission within 60 days of the date of confirmation of the *Consent Agreement* by the Tribunal.

6. Full and Final Settlement

This agreement, upon confirmation as an order by the *Tribunal*, is entered into in full and final settlement and concludes all proceedings between the *Commission* and OVK relating to any alleged contravention by the *Respondents* of the Act, namely the fixing of the daily grain silo storage tariff, that is the subject of the *Commission's* investigation under case no 2009MAR4349.
