2. The Complaint and Complaint Investigation

- 2.1. On 17 March 2009 the *Commissioner* initiated a complaint against Afgri Operations Limited ("Afgri"), Senwes Limited ("Senwes"), NWK Limited ("NWK"), OVK Operations Limited ("OVK"), Suidwes (Pty) Limited ("Suidwes"), Vrystaatse Koöperasie Limited ("VKB") and the Grain Silo Industry ("GSI") for alleged contravention of section 4(1)(b)(i) of the Act.
- 2.2. The investigation revealed that the storage rate is agreed to and assented to not only by the entities against whom the original complaints initiation was made, but by all members and shareholders of GSI. In the circumstances, on 25 May 2010 the *Commissioner* expanded the investigation to refer to all seventeen (17) respondents.

2.3. The *Commission* conducted its investigation and concluded that the *respondents* and GSI have contravened section 4(1)(b)(i) of the Act. The essence of the conduct complained of is that the *respondents* and GSI have contravened section 4(1)(b)(i) of the Act in that they fix the prices of the daily storage tariff for the storage of grain. This is done for application throughout the Republic. The first to sixteenth *respondents* are all former cooperatives who own grain storage silos and provide other agricultural services and are competitors in the market for grain storage.

2.4. The *Commission* found that:

2.4.1. Notwithstanding the fact that they are competitors, the first to sixteenth *respondents* are all shareholders or members of the GSI. Although the GSI is a private company, it amounts to an industry association for members of the grain storage industry. SAFEX placed the onus for the determination of the storage rate on the GSI on the basis that it had the necessary knowledge and understanding of the costs involved in providing storage. Until 2008, SAFEX requested the standardised tariff from the GSI on an annual basis. In 2008, as is set out below, the GSI declined to provide the standardised storage tariff to SAFEX any longer on account of the *Commission's* contentions that it and its members were contravening section 4(1)(b)(i) of the Act.

2.4.2. It was the GSI's technical committee that was responsible for fixing the daily storage tariff on behalf of the GSI and its members. In response to requests from SAFEX, the GSI consulted its shareholders. The shareholders submitted individual proposals as to the appropriate storage rate to GSI. These rates were collated and evaluated by the GSI's technical committee, the members of which are from competing silo companies. The technical committee then decided on a rate and this was then submitted to SAFEX on behalf of GSI and its shareholders.

2.4.3. The essence of the conduct complained of is that the daily storage tariff proposed by GSI is agreed to and assented to by all of the

respondents. Given that the first to sixteenth respondents are all competitors in the provision of storage services, the joint determination of the daily storage rate amounts to prohibited price fixing in that it quite simply amounts to an agreement between firms in a horizontal relationship for the direct fixing of storage prices.

- 2.4.4. The manner in which the *SAFEX* storage tariff is determined is, in the Commission's view, restrictive of competition. In addition to agreeing to the *SAFEX* rate, the respondents exchanged detailed cost information. In addition, the storage tariff determined for *SAFEX* purposes has been used to determine storage fees in respect of sales transactions in the physical market. This amounts to collusion.

- 2.5. The *Commission* took a decision to refer to the *Tribunal* its complaint that is described above.

3. **Statement of conduct by NWK**

NWK admits that it participated, as a member of the GSI, in furnishing the GSI with information requested by the South African Futures Exchange in order to fix the daily grain storage tariff which could be interpreted as a contravention of section 4(1)(b)(i) of the Act as described above.

4. **Administrative Penalty**

- 4.1. Having regard to the provisions of sections 58(1)(a)(iii) as read with sections 59(1)(a), 59(2) and 59(3) of the Act, *NWK* accepts that a contravention of section 4(1)(b)(i) may lead to the imposition of an administrative penalty where the *Tribunal* deems it appropriate.
- 4.2. The parties have agreed that *NWK* will pay an administrative penalty in the amount of R3 295 158,08.
- 4.3. This amount constitutes 4% (four per cent) of the total grain silo storage turnover for the 2009 financial year.
- 4.4. *NWK* will pay the amount set out in paragraph 4.2 above to the *Commission* within 10 (ten) days of confirmation of this *Consent Agreement* by the *Tribunal*.

- 4.5. This payment shall be made into the *Commission's* bank account, details of which are as follows:

Bank name: Absa Bank
Branch name: Pretoria
Account holder: Competition Commission Fees Account
Account number: 4050778576
Account type: Current Account
Branch Code: 323 345

- 4.6. The payment will be paid over by the *Commission* to the National Revenue Fund in accordance with section 59(4) of the Act.

5. **Agreement Concerning Future Conduct**

- 5.1. *NWK* agrees to fully cooperate with the *Commission* in relation to the prosecution of the complaint referral. Without limiting the generality of the foregoing, *NWK* specifically agrees to:

5.1.1. Testify in the complaint referral (if any) in respect of alleged contraventions covered by this *Consent Agreement*; and

5.1.2. To the extent that it is in existence, provide evidence, written or otherwise, which is in its possession or under its control, concerning the alleged contraventions contained in this *Consent Agreement*.

5.2. *NWK* agrees that it will in future refrain from the provision of contractual undertakings that have the potential to constitute contraventions of section 4(1)(b) of the Act.

5.3. *NWK* shall continue with developing, implementing and monitoring its competition law compliance programme incorporating corporate governance designed to ensure that its employees, management, directors and agents do not engage in future contraventions of the Competition Act. In particular, *NWK* shall:

- 5.3.1. continue to implement a competition policy and compliance programme;
- 5.3.2. continue to provide training on competition law compliance on issues particularly relevant to NWK and its employees and officials;
- 5.3.3. update the competition policy and training annually after confirmation of this Consent Order and continue to do so on an annual basis to ensure NWK's continued compliance with the Act.

- 5.4. NWK shall submit a copy of its compliance programme to the Commission within 60 days of the date of confirmation of the *Consent Agreement* by the *Tribunal*.

6. Full and Final Settlement

This agreement, upon confirmation as an order by the *Tribunal*, is entered into in full and final settlement and concludes all proceedings between the *Commission* and NWK relating to any alleged contravention by the *Respondents* of the Act that is the subject of the *Commission's* investigation under case no. 2009MAR4349.
