Preamble.—THE PEOPLE of South Africa recognise:

That apartheid and other discriminatory laws and practices of the past resulted in excessive concentrations of ownership and control within the national economy, inadequate restraints against anti-competitive trade practices, and unjust restrictions on full and free participation in the economy by all South Africans.

[Para. substituted by s. 22 of Act No. 39 of 2000.]

That the economy must be open to greater ownership by a greater number of South Africans.

That credible competition law, and effective structures to administer that law are necessary for an efficient

functioning economy.

That an efficient, competitive economic environment, balancing the interests of workers, owners and consumers and focused on development, will benefit all South Africans.

IN ORDER TO—

provide all South Africans equal opportunity to participate fairly in the national economy;

achieve a more effective and efficient economy in South Africa;

provide for markets in which consumers have access to, and can freely select, the quality and variety of goods and services they desire;

create greater capability and an environment for South Africans to compete effectively in international markets;

restrain particular trade practices which undermine a competitive economy;

regulate the transfer of economic ownership in keeping with the public interest;

establish independent institutions to monitor economic competition; and

give effect to the international law obligations of the Republic.

(d) a person holding an equivalent position in a *firm*.

[Sub-s. (4) amended by s. 3 (d) of Act No. 39 of 2000.]

(5) The provisions of subsection (1) do not apply to an *agreement* between, or *concerted practice* engaged in by—

(a) a company, its wholly owned subsidiary as contemplated in section 1 (5) of the Companies Act, 1973, a wholly owned subsidiary of that subsidiary or any combination of them; or

(Date of commencement of s. 4: 1 September, 1999.)

(Pending amendment: Sub-s. (6) to be added by s. 3 (b) of Act No. 18 of 2018 with effect from a date fixed by the President by proclamation in the *Gazette* – date not determined.)

(Date of commencement to be proclaimed)

5. Restrictive vertical practices prohibited.—(1) An *agreement* between parties in a *vertical relationship* is prohibited if it has the effect of substantially preventing or lessening competition in a market, unless a party to the *agreement* can prove that any technological, efficiency or other pro-competitive, gain resulting from that *agreement* outweighs that effect.

(2) The practice of minimum resale price maintenance is prohibited.

(3) Despite subsection (2), a supplier or producer may recommend a minimum resale price to the reseller of a *good or service* provided—

- (a) the supplier or producer makes it clear to the reseller that the recommendation is not binding; and
- (b) if the product has its price stated on it, the words “recommended price” appear next to the stated price.

(4) The *Minister* must make regulations in terms of section 78 regarding the application of this section.

(Pending amendment: Sub-s. (4) to be added by s. 4 of Act No. 18 of 2018 with effect from a date fixed by the President by proclamation in the *Gazette* – date not determined.)

PART B ABUSE OF A DOMINANT POSITION

6. Restrictive application of Part.—(1) The *Minister*, in consultation with the Competition Commission, must determine—

- (a) a threshold of annual turn-over, or assets, in the Republic, either in general or in relation to specific industries, below which this Part does not apply to a *firm*; and
- (b) a method for the calculation of annual turn-over or assets to be applied in relation to that threshold.

(2) The *Minister* may make a new determination in terms of subsection (1) in consultation with the Competition Commission.

(3) Before making a determination contemplated in this section, the *Minister*, in consultation with the Competition Commission, must publish in the *Gazette* a notice—

- (a) setting out the proposed threshold and method of calculation for purposes of this section; and
- (b) inviting written submissions on that proposal.

(4) Within six months after publishing a notice in terms of subsection (3), the *Minister*, in consultation with the Competition Commission, must publish in the *Gazette* a notice—

- (a) setting out the threshold and method of calculation for purposes of this section; and
- (b) the effective date of that threshold.

[S. 6 substituted by s. 4 of Act No. 39 of 2000.]

7. Dominant firms.—A *firm* is dominant in a market if—

- (a) it has at least 45% of that market;
- (b) it has at least 35%, but less than 45%, of that market, unless it can show that it does not have *market power*; or
- (c) it has less than 35% of that market, but has *market power*.

(Date of commencement of s. 7: 1 September, 1999.)

8. Abuse of dominance prohibited.—(1) It is prohibited for a dominant *firm* to—

- (a) charge an excessive price to the detriment of consumers or customers;
- (b) refuse to give a competitor access to an *essential facility* when it is economically feasible to do so;
- (c) engage in an *exclusionary act*, other than an act listed in paragraph (d), if the anti-competitive effect of that act outweighs its technological, efficiency or other pro-competitive gain; or
- (d) engage in any of the following *exclusionary acts*, unless the *firm* concerned can show technological, efficiency or other pro-competitive gains which outweigh the anti-competitive effect of its act—
 - (i) requiring or inducing a supplier or customer to not deal with a competitor;
 - (ii) refusing to supply scarce *goods or services* to a competitor or customer when supplying those *goods or services* is economically feasible;
 - (iii) selling *goods or services* on condition that the buyer purchases separate *goods or services* unrelated to the object of a contract, or forcing a buyer to accept a condition unrelated to the object of a contract;
 - (iv) selling *goods or services* at *predatory prices*;
 - (v) buying-up a scarce supply of intermediate goods or resources required by a competitor; or
 - (vi) engaging in a *margin squeeze*.

(2) If there is a *prima facie* case of abuse of dominance because the dominant *firm* charged an excessive price, the dominant *firm* must show that the price was reasonable.

(3) Any person determining whether a price is an excessive price must determine if that price is higher than a competitive price and whether such difference is unreasonable, determined by taking into account all relevant factors, which may include—

- (a) the *respondent's* price-cost margin, internal rate of return, return on capital invested or profit history;
- (b) the *respondent's* prices for the *goods or services*—
 - (i) in markets in which there are competing products;
 - (ii) to customers in other geographic markets;
 - (iii) for similar products in other markets; and
 - (iv) historically;
- (c) relevant comparator *firm's* prices and level of profits for the *goods or services* in a competitive market for those *goods or services*;
- (d) the length of time the prices have been charged at that level;
- (e) the structural characteristics of the relevant market, including the extent of the *respondent's* market share, the degree of contestability of the market, barriers to entry and past or current advantage that is not due to the *respondent's* own commercial efficiency or investment, such as direct or indirect state support for a *firm* or *firms* in the market; and
- (f) any regulations made by the *Minister*, in terms of section 78 regarding the calculation and determination of an excessive price.

(4) (a) It is prohibited for a dominant *firm* in a sector designated by the *Minister* in terms of paragraph (d) to directly or indirectly, require from or impose on a supplier that is a *small and medium business* or a *firm* controlled or owned by historically disadvantaged persons, unfair—

- (i) prices; or
- (ii) other trading conditions.

(b) It is prohibited for a dominant *firm* in a sector designated by the *Minister* in terms of paragraph (d) to avoid purchasing, or refuse to purchase, *goods or services* from a supplier that is a *small and medium business* or a *firm* controlled or owned by historically disadvantaged persons in order to circumvent the operation of paragraph (a).

(c) If there is a *prima facie* case of a contravention of paragraph (a) or (b), the dominant *firm* alleged to be in contravention must show that—

- (i) in the case of paragraph (a), the price or other trading condition is not unfair; and
- (ii) in the case of paragraph (b), it has not avoided purchasing, or refused to purchase, *goods or services* from a supplier referred to in paragraph (b) in order to circumvent the operation of paragraph (a).

(d) The *Minister* must, in terms of section 78, make regulations—

- (i) designating the sectors, and in respect of *firms* owned or controlled by historically disadvantaged

persons, the benchmarks for determining the *firms*, to which this subsection will apply; and

- (ii) setting out the relevant factors and benchmarks in those sectors for determining whether prices and other trading conditions contemplated in paragraph (a) are unfair.

(Date of commencement of sub-s. (4): 13 February, 2020.)

[S. 8 substituted by s. 5 of Act No. 18 of 2018.]

(Date of commencement of s. 8: 1 September, 1999.)

9. Price discrimination by dominant firm as seller prohibited.—(1) An action by a dominant *firm*, as the seller of *goods or services*, is prohibited price discrimination, if—

(a) it is likely to have the effect of—

(i) substantially preventing or lessening competition; or

(ii) impeding the ability of *small and medium businesses* or *firms* controlled or owned by historically disadvantaged persons, to *participate* effectively;

[Para. (a) substituted by s. 6 (b) of Act No. 18 of 2018 w.e.f. 13 February, 2020.]

(b) it relates to the sale, in equivalent transactions, of *goods or services* of like grade and quality to different purchasers; and

(c) it involves discriminating between those purchasers in terms of—

(i) the price charged for the *goods or services*;

(ii) any discount, allowance, rebate or credit given or allowed in relation to the supply of *goods or services*;

(iii) the provision of services in respect of the *goods or services*; or

(iv) payment for services provided in respect of the *goods or services*.

(1A) It is prohibited for a dominant *firm* to avoid selling, or refuse to sell, *goods or services* to a purchaser that is a *small and medium business* or a *firm* controlled or owned by historically disadvantaged persons in order to circumvent the operation of subsection (1) (a) (ii).

[Sub-s. (1A) inserted by s. 6 (c) of Act No. 18 of 2018 w.e.f. 13 February, 2020.]

(2) Despite subsection (1), but subject to subsection (3), conduct involving differential treatment of purchasers in terms of any matter listed in paragraph (c) of subsection (1) is not prohibited price discrimination if the dominant *firm* establishes that the differential treatment—

(a) makes only reasonable allowance for differences in cost or likely cost of manufacture, distribution, sale, promotion or delivery resulting from—

(i) the differing places to which *goods or services* are supplied to different purchasers;

(ii) methods by which *goods or services* are supplied to different purchasers; or

(iii) quantities in which *goods or services* are supplied to different purchasers;

(b) is constituted by doing acts in good faith to meet a price or benefit offered by a competitor; or

(c) is in response to changing conditions affecting the market for the *goods or services* concerned, including—

(i) any action in response to the actual or imminent deterioration of perishable goods;

(ii) any action in response to the obsolescence of goods;

(iii) a sale pursuant to a liquidation or sequestration procedure; or

(iv) a sale in good faith in discontinuance of business in the *goods or services* concerned.

[Sub-s. (2) substituted by s. 6 (d) of Act No. 18 of 2018 w.e.f. 13 February, 2020.]

(3) If there is a *prima facie* case of a contravention of section (1) (a) (ii)—

(a) subsection (2) (a) (iii) is not applicable; and

(b) the dominant *firm* must, subject to regulations issued under section 9 (4), show that its action did not impede the ability of *small and medium businesses* and *firms* controlled or owned by historically disadvantaged persons to *participate* effectively.

[Sub-s. (3) added by s. 6 (e) of Act No. 18 of 2018 w.e.f. 13 February, 2020.]

(3A) If there is a *prima facie* case of a contravention of subsection (1A), the dominant *firm* alleged to be in contravention must show that it has not avoided selling, or refused to sell, *goods or services* to a purchaser referred to in subsection (1A) in order to circumvent the operation of subsection (1) (a) (ii).

(4) The *Minister* must make regulations in terms of section 78—

- (a) to give effect to this section, including the benchmarks for determining the application of this section to *firms* owned and controlled by historically disadvantaged persons; and
- (b) setting out the relevant factors and benchmarks for determining whether a dominant *firm's* action is price discrimination that impedes the *participation of small and medium businesses* and *firms* controlled or owned by historically disadvantaged persons.

[S. 9 amended by s. 6 (a) of Act No. 18 of 2018 w.e.f. 13 February, 2020. Sub-s. (4) added by s. 6 (e) of Act No. 18 of 2018 w.e.f. 13 February, 2020.]

(Date of commencement of s. 9: 1 September, 1999.)

PART C
EXEMPTIONS FROM APPLICATION OF CHAPTER

10. Exemptions.—(1) A *firm* may apply to the Competition Commission to exempt from the application of this Chapter—

- (a) an *agreement* or practice, if that *agreement* or practice meets the requirements of subsection (3); or
- (b) a category of *agreements* or practices, if that category of *agreements* or practices meets the requirements of subsection (3).

(2) Upon receiving an application in terms of subsection (1), the Competition Commission must—

- (a) grant a conditional or unconditional exemption for a specified term, if the *agreement* or practice concerned, or category of *agreements* or practices concerned, meets the requirements of subsection (3); or
- (b) refuse to grant an exemption, if—
 - (i) the *agreement* or practice concerned, or category of *agreements* or practices concerned, does not meet the requirements of subsection (3); or
 - (ii) the *agreement* or practice, or category of *agreements* or practices, does not constitute a *prohibited practice* in terms of this Chapter.

(2A) Unless the Competition Commission and the applicant agree otherwise, the Competition Commission must grant or refuse to grant the exemption referred to in subsection (2) within one year of the receipt of the application or within such period as may be *prescribed* in terms of section 78.

(Pending amendment: Sub-s. (2A) to be inserted by s. 7 (a) of Act No. 18 of 2018 with effect from a date fixed by the President by proclamation in the *Gazette* – date not determined.)

(Date of commencement to be proclaimed)

(3) The Competition Commission may grant an exemption in terms of subsection (2) (a) only if—

- (a) any restriction imposed on the *firms* concerned by the *agreement* or practice concerned, or category of *agreements* or practices concerned, is required to attain an objective mentioned in paragraph (b); and
- (b) the *agreement* or practice concerned, or category of *agreements* or practices concerned, contributes to any of the following objectives:
 - (i) maintenance or promotion of exports;
 - (ii) promotion of the effective entry into, *participation* in or expansion within a market by *small and medium businesses*, or *firms* controlled or owned by historically disadvantaged persons;
[Sub-para. (ii) substituted by s. 7 (b) of Act No. 18 of 2018.]

[Sub-para. (iv) substituted by s. 7 (c) of Act No. 18 of 2018.]
 - (v) competitiveness and efficiency gains that promote employment or industrial expansion.
[Sub-para. (v) added by s. 7 (d) of Act No. 18 of 2018.]

(4) A *firm* may apply to the Competition Commission to exempt from the application of this Chapter an

(4A) Upon receiving an application in terms of subsection (4), the Competition Commission may grant an exemption for a specified term.

(5) The Competition Commission may revoke an exemption granted in terms of subsection (2) (a) or subsection (4A) if—

- (a) the exemption was granted on the basis of false or incorrect information;
- (b) a condition for the exemption is not fulfilled; or
- (c) the reason for granting the exemption no longer exists.

(6) Before granting an exemption in terms of subsection (2) or (4A), or revoking an exemption in terms of subsection (5), the Competition Commission—

- (a) may withdraw its notice of refusal to grant the exemption, in the *prescribed* manner; and
- (b) if it does withdraw its notice of refusal, must reconsider the application for exemption.

(10) The *Minister* may, after consultation with the Competition Commission, and in order to give effect to the purposes of *this Act* as set out in section 2, issue *regulations* in terms of section 78 exempting a category of *agreements* or practices from the application of this Chapter.

CHAPTER 2A COMPLEX MONOPOLY CONDUCT

(Pending amendment: Ch 2A to be inserted by s. 4 of Act No. 1 of 2009 and comes into operation on a date fixed by the President by proclamation in the *Gazette* – date not determined.)

(Date of commencement to be proclaimed)

10A. Complex monopoly conduct.—(1) Complex monopoly conduct subsists within the market for any particular goods or services if—

- (a) at least 75% of the goods or services in that market are supplied to, or by, five or fewer firms;
- (b) any two or more of the firms contemplated in paragraph (a) conduct their respective business affairs in a conscious parallel manner or co-ordinated manner, without agreement between or

among themselves; and

- (c) the conduct contemplated in paragraph (b) has the effect of substantially preventing or lessening competition in that market,

unless a firm engaging in the conduct can prove that any technological, efficiency or other pro-competitive gain resulting from it outweighs that effect.

(2) For the purposes of subsection (1) (b) 'conscious parallel conduct' occurs when two or more *firms* in a concentrated market, being aware of each other's action, conduct their business affairs in a cooperative manner without discussion or agreement.

(3) If the Competition Commission has reason to believe that complex monopoly conduct subsists within a market—

- (a) the Commission may investigate any conduct within that market without initiating or having received a complaint in terms of Chapter 5; and
- (b) Parts A and B of Chapter 5, and section 49D, each read with the changes required by the context, apply to an investigation in terms of paragraph (a).

(4) After conducting an investigation in terms of subsection (3), the Competition Commission may apply to the Competition Tribunal for a declaratory order contemplated in subsection (5) against two or more *firms* if—

- (a) at least one of the *firms*—
- (i) has at least 20% of the relevant market; and
- (ii) are engaged in complex monopoly conduct as described in subsection (1); and
- (b) the conduct of the *firms* has resulted in—
- (i) high entry barriers to that market;
- (ii) exclusion of other *firms* from the market;
- (iii) excessive pricing within that market;
- (iv) refusal to supply other *firms* within that market; or
- (v) other market characteristics that indicate co-ordinated conduct.

(5) If the Tribunal, after conducting a hearing in the manner required by Part D of Chapter 5, read with the changes required by the context, is satisfied that the requirements of subsection (4) are satisfied, the Tribunal may make an order reasonably requiring, prohibiting or setting conditions upon any particular conduct by the firm, to the extent justifiable to mitigate or ameliorate the effect of the complex monopoly conduct on the market, as contemplated in subsection (4) (b).

(6) Contravention by a *firm* of an order contemplated in subsection (5) is a *prohibited practice*.

(Pending amendment: S. 10A to be inserted by s. 4 of Act No. 1 of 2009 and comes into operation on a date fixed by the President by proclamation in the *Gazette* – date not determined.)

(Date of commencement to be proclaimed)

CHAPTER 3

[Chapter 3 substituted by s. 6 of Act No. 39 of 2000.]

MERGER CONTROL

11. Thresholds and categories of mergers.—(1) The *Minister*, in consultation with the Competition Commission, must determine—

- (a) a lower and a higher threshold of combined annual turn-over or assets, or a lower and a higher threshold of combinations of turn-over and assets, in the Republic, in general or in relation to specific industries, for purposes of determining categories of mergers contemplated in subsection (5); and
- (b) a method for the calculation of annual turn-over or assets to be applied in relation to each of those thresholds.

(2) The *Minister* may make a new determination in terms of subsection (1) in consultation with the Competition Commission.

(3) Before making a determination contemplated in this section, the *Minister*, in consultation with the Competition Commission, must publish in the *Gazette* a notice—

- (a) setting out the proposed threshold and method of calculation for purposes of this section; and
- (b) inviting written submissions on that proposal.

(4) Within six months after publishing a notice in terms of subsection (3), the *Minister*, in consultation with the Competition Commission, must publish in the *Gazette* a notice—

- (a) setting out the new threshold and method of calculation for purposes of this section; and
- (b) the effective date of that threshold.

(5) For purposes of this Chapter—

- (a) **“a small merger”** means a merger or proposed merger with a value at or below the lower threshold established in terms of subsection (1) (a);
- (b) **“an intermediate merger”** means a merger or proposed merger with a value between the lower and higher thresholds established in terms of subsection (1) (a); and
- (c) **“a large merger”** means a merger or proposed merger with a value at or above the higher threshold established in terms of subsection (1) (a).

[S. 11 substituted by s. 6 of Act No. 39 of 2000.]

12. Merger defined.—(1) (a) For purposes of *this Act*, a merger occurs when one or more *firms* directly or indirectly acquire or establish direct or indirect control over the whole or part of the business of another *firm*.

(b) A merger contemplated in paragraph (a) may be achieved in any manner, including through—

- (i) purchase or lease of the shares, an interest or assets of the other *firm* in question; or
- (ii) amalgamation or other combination with the other *firm* in question.

(2) A person controls a *firm* if that person—

- (a) beneficially owns more than one half of the issued share capital of the *firm*;
- (b) is entitled to vote a majority of the votes that may be cast at a general meeting of the *firm*, or has the ability to control the voting of a majority of those votes, either directly or through a controlled entity of that person;
- (c) is able to appoint or to veto the appointment of a majority of the directors of the *firm*;
- (d) is a holding company, and the *firm* is a subsidiary of that company as contemplated in section 1 (3) (a) of the Companies Act, 1973 (Act No. 61 of 1973);
- (e) in the case of a *firm* that is a trust, has the ability to control the majority of the votes of the trustees, to appoint the majority of the trustees or to appoint or change the majority of the beneficiaries of the trust;
- (f) in the case of a close corporation, owns the majority of *members’ interest* or controls directly or has the right to control the majority of *members’ votes* in the close corporation; or
- (g) has the ability to materially influence the policy of the *firm* in a manner comparable to a person who, in ordinary commercial practice, can exercise an element of control referred to in paragraphs (a) to (f).

[S. 12 substituted by s. 6 of Act No. 39 of 2000.]

12A. Consideration of mergers.—(1) Whenever required to consider a merger, the Competition Commission or Competition Tribunal must initially determine whether or not the merger is likely to substantially prevent or lessen competition, by assessing the factors set out in subsection (2), and if it appears that the merger is likely to substantially prevent or lessen competition, then determine—

- (a) whether or not the merger is likely to result in any technological, efficiency or other pro-competitive gain which will be greater than, and offset, the effects of any prevention or lessening of competition, that may result or is likely to result from the merger, and would not likely be obtained if the merger is prevented; and
- (b) whether the merger can or cannot be justified on substantial public interest grounds by assessing the factors set out in subsection (3).

[Sub-s. (1) substituted by s. 9 (a) of Act No. 18 of 2018.]

(1A) Despite its determination in subsection (1), the Competition Commission or Competition Tribunal must also determine whether the merger can or cannot be justified on substantial public interest grounds by assessing

the factors set out in subsection (3).

[Sub-s. (1A) inserted by s. 9 (b) of Act No. 18 of 2018.]

(2) When determining whether or not a merger is likely to substantially prevent or lessen competition, the Competition Commission or Competition Tribunal must assess the strength of competition in the relevant market, and the probability that the *firms* in the market after the merger will behave competitively or co-operatively, taking into account any factor that is relevant to competition in that market, including—

- (a) the actual and potential level of import competition in the market;
- (b) the ease of entry into the market, including tariff and regulatory barriers;
- (c) the level and trends of concentration, and history of collusion, in the market;
- (d) the degree of countervailing power in the market;
- (e) the dynamic characteristics of the market, including growth, innovation, and product differentiation;
- (f) the nature and extent of vertical integration in the market;
- (g) whether the business or part of the business of a party to the merger or proposed merger has failed or is likely to fail;

[Para. (g) substituted by s. 9 (c) of Act No. 18 of 2018.]

- (h) whether the merger will result in the removal of an effective competitor;

[Para. (h) substituted by s. 9 (c) of Act No. 18 of 2018.]

- (i) the extent of ownership by a party to the merger in another *firm* or other *firms* in related markets;

[Para. (i) added by s. 9 (d) of Act No. 18 of 2018.]

- (j) the extent to which a party to the merger is related to another *firm* or other *firms* in related markets, including through common members or directors; and

[Para. (j) added by s. 9 (d) of Act No. 18 of 2018.]

- (k) any other mergers engaged in by a party to a merger for such period as may be stipulated by the Competition Commission.

[Para. (k) added by s. 9 (d) of Act No. 18 of 2018.]

(3) When determining whether a merger can or cannot be justified on public interest grounds, the Competition Commission or the Competition Tribunal must consider the effect that the merger will have on—

- (a) a particular industrial sector or region;
- (b) employment;
- (c) the ability of *small and medium businesses*, or *firms* controlled or owned by historically disadvantaged persons, to effectively enter into, *participate* in or expand within the market;

[Para. (c) substituted by s. 9 (e) of Act No. 18 of 2018.]

- (d) the ability of national industries to compete in international markets; and

[Para. (d) substituted by s. 9 (e) of Act No. 18 of 2018.]

- (e) the promotion of a greater spread of ownership, in particular to increase the levels of ownership by historically disadvantaged persons and *workers* in *firms* in the market.

[S. 12A inserted by s. 6 of Act No. 39 of 2000. Para. (e) added by s. 9 (f) of Act No. 18 of 2018.]

13. Small merger notification and implementation.—(1) A Party to a small merger—

- (a) is not required to notify the Competition Commission of that merger unless the Commission requires it to do so in terms of subsection (3); and
- (b) may implement that merger without approval, unless required to notify the Competition Commission in terms of subsection (3).

(2) A party to a small merger may voluntarily notify the Competition Commission of that merger at any time.

(3) Within six months after a small merger is implemented, the Competition Commission may require the parties to that merger to notify the Commission of that merger in the *prescribed* manner and form if, in the opinion of the Commission, having regard to the provisions of section 12A, the merger—

- (a) may substantially prevent or lessen competition; or
- (b) cannot be justified on public interest grounds.

(2) An adverse effect on competition is established if any feature, or combination of features, of a market for *goods or services* impedes, restricts or distorts competition in that market.

(3) Any reference to a feature of a market for *goods or services* includes—

- (a) the structure of that market or any aspect of that structure, including:
 - (i) the level and trends of concentration and ownership in the market;
 - (ii) the barriers to entry in the market, the regulation of the market, including the instruments in place to foster transformation in the market and past or current advantage that is not due to the *respondent’s* own commercial efforts or investment, such as direct or indirect state support for a *firm* or *firms* in the market;
- (b) the outcomes observed in the market, including—
 - (i) levels of concentration and ownership;
 - (ii) prices, customer choice, the quality of *goods or services* and innovation;
 - (iii) employment;
 - (iv) entry into and exit from the market;
 - (v) the ability of national industries to compete in international markets;
- (c) conduct, whether in or outside the market which is the subject of the inquiry, by a *firm* or *firms* that supply or acquire *goods or services* in the market concerned;
- (d) conscious parallel or co-ordinated conduct by two or more *firms* in a concentrated market without the *firms* having an agreement between or among themselves; or
- (e) conduct relating to the market which is the subject of the inquiry of any customers of *firms* who supply or acquire *goods or services*.

- (ii) to achieve the purposes of *this Act*.

(b) The *Minister* may, after consultation with the Competition Commission and after consideration of the factors in paragraph (a) (i) and (ii), require the Competition Commission to conduct a market inquiry contemplated in paragraph (a) during a specified period.

- (e) sections 72 and 73 (2) (a), (b), (c), (d) and (f) apply to the conduct of a market inquiry, but a reference in any of those sections to "an investigation" must be regarded as referring to the market inquiry.

(3A) For purposes of this Chapter—

- (a) the Competition Commission may, within 20 business days of receipt of information claimed as confidential in terms of section 44 (1), determine whether or not the information is *confidential information*;
- (b) if the Competition Commission determines that the information is confidential, it may, within five business days, make an appropriate determination concerning access to that information by any person;
- (c) before making the decision in paragraph (a) or (b), the Competition Commission must give the party claiming the information to be confidential, notice of its intention to make its determination and consider the representations, if any, made to it by that person;

- (b) on the procedures to be followed at the market inquiry.

(2) In making its decision in terms of subsection (1) (a), the Competition Commission must have regard to the impact of the adverse effect on competition on *small and medium businesses*, or *firms* controlled or owned by historically disadvantaged persons.

46. Authority to enter and search under warrant.—(1) A judge of the High Court, a regional magistrate or a magistrate may issue a warrant to enter and search any *premises* that are within the jurisdiction of that judge or magistrate, if, from information on oath or affirmation, there are reasonable grounds to believe that—

- (a) a *prohibited practice* has taken place, is taking place or is likely to take place on or in those *premises*; or
- (b) anything connected with an investigation in terms of *this Act* is in the possession of, or under the control of, a person who is on or in those *premises*.

(2) A warrant to enter and search may be issued at any time and must specifically—

- (a) identify the *premises* that may be entered and searched; and
- (b) authorise an inspector or a police officer to enter and search the *premises* and to do anything listed in section 48.

(3) A warrant to enter and search is valid until one of the following events occurs:

- (a) The warrant is executed;
- (b) the warrant is cancelled by the person who issued it or, in that person's absence, by a person with similar authority;
- (c) the purpose for issuing it has lapsed; or
- (d) the expiry of one month after the date it was issued.

(4) A warrant to enter and search may be executed only during the day, unless the judge, regional magistrate or magistrate who issued it authorises that it may be executed at night at a time that is reasonable in the circumstances.

(5) A person authorised by warrant issued in terms of subsection (2) may enter and search *premises* named in that warrant.

(6) Immediately before commencing with the execution of a warrant, a person executing that warrant must—

(2) Immediately before entering and searching in terms of this section, the inspector conducting the search must provide identification to the owner or person in control of the *premises* and explain to that person the authority by which the search is being conducted, and must—

- (a) get permission from that person to enter and search the *premises*; or
- (b) believe on reasonable grounds that a warrant would be issued under section 46 if applied for, and that the delay that would ensue by first obtaining a warrant would defeat the object or purpose of the entry and search.

(3) An entry and search without a warrant may be carried out only during the day, unless doing it at night is justifiable and necessary in the circumstances.

[S. 47 substituted by s. 15 of Act No. 39 of 2000.]

- (f) take extracts from, or make copies of, any book or document that is on or in the *premises* that has a bearing on the investigation;
- (g) use any computer system on the *premises*, or require assistance of any person on the *premises* to use that computer system, to—
 - (i) search any data contained in or available to that computer system;
 - (ii) reproduce any record from that data; and
 - (iii) seize any output from that computer for examination and copying; and
- (h) attach and, if necessary, remove from the *premises* for examination and safe-keeping, anything that has a bearing on the investigation.

(2) Section 49A (3) applies to an answer given or statement made to an inspector in terms of this section.

(6) If the owner or person in control of an article or document refuses in terms of subsection (5) to give that article or document to the person conducting the search, the person conducting the search may request the registrar or sheriff of the High Court that has jurisdiction to attach and remove the article or document for safe custody until that court determines whether or not the information is privileged.

(7) A police officer who is authorised to enter and search *premises* under section 46, or who is assisting an inspector who is authorised to enter and search *premises* under section 46 or 47, may overcome resistance to the entry and search by using as much force as is reasonably required, including breaking a door or window of the *premises*.

(8) Before using force in terms of subsection (7), a police officer must audibly demand admission and must announce the purpose of the entry, unless it is reasonable to believe that doing so may induce someone to destroy

or dispose of an article or document that is the object of the search.

(9) The Competition Commission may compensate anyone who suffers damage because of a forced entry during a search when no one responsible for the *premises* was present.

[S. 49 substituted by s. 15 of Act No. 39 of 2000.]

49A. (2) A person questioned by an inspector conducting an investigation, or by the Commissioner or other person in terms of subsection (1), must answer each question truthfully and to the best of that person's ability, but the person is not obliged to answer any question if the answer is self-incriminating.

(3) No self-incriminating answer given or statement made to a person exercising any power in terms of this section is admissible as evidence against the person who gave the answer or made the statement in criminal proceedings, except in criminal proceedings for perjury or in which that person is tried for an offence contemplated in section 72 or section 73 (2) (d), and then only to the extent that the answer or statement is relevant to prove the offence charged.
