The *Competition Commission* and Pioneer Fishing (Pty) Ltd ("Pioneer Fishing") hereby agree that application be made to the Competition Tribunal for the confirmation of this Settlement Agreement as an order of the Competition Tribunal in terms of section 27(1)(d) read with section 58(1)(a)(iii) of the Competition Act, 1998 (Act No. 89 of 1998), as amended, on the terms set out below.

2. The Complaint and Complaint Investigation

- 2.1 On 29 March 2011, the Commissioner, acting in terms of section 49B(1) of the Act, initiated a complaint under case number 2011Mar5719 against the respondents for a possible contravention of section 4(1)(b)(II) of the Act in the market for the supply of horse mackerel in South Africa.
- 2.2 The Commission's investigation relating to Pioneer Fishing revealed that:
- 2.2.1 On 28 August 2008 BCP and Pioneer Fishing entered into an agreement in terms of which BCP, using its vessel the Desert Diamond, would catch Saco's horse mackerel allocation for 2008 on behalf of Pioneer Fishing ("the 2008 Catching Agreement").
 - 2.2.2 In terms of the 2008 Catching Agreement Pioneer Fishing undertook to pay BCP a catching fee and it was contemplated that the fish caught pursuant thereto would be delivered to Pioneer Fishing on arrival of the vessel at the harbour.
 - 2.2.3 On or about 10 September 2008 BCP and Pioneer Fishing concluded a further agreement ("the Sale Agreement") settling out the basis upon which BCP would purchase the horse mackerel catch referred to in the 2008 Catching Agreement.
 - 2.2.4 The Sale Agreement furthermore confirmed the appointment of BCP to catch the horse mackerel allocation of Saco for the 2009 and 2010 seasons, but provided that for those seasons, ownership of all horse mackerel caught pursuant to the agreement would vest in BCP. Provision was, however, made for BCP to make available up to 20% of the catch for sale to Pioneer Fishing on an agreed basis.
 - 2.2.5 Pioneer Fishing and BCP concluded a further catching agreement for the 2009 and 2010 seasons on 11 July 2009, the terms of which were similar to the 2008 Catching Agreement ("the 2009 Catching Agreement").
 - 2.2.6 The Sale Agreement provided that whilst BCP agreed to purchase the whole of the horse mackerel catch, it would make available 20% of each catch to Pioneer Fishing for sale in the local market.
 - 2.2.7 It was alleged by BCP that, during the course of negotiating the 2008 Catching Agreement and the Sale Agreement between 2 July and 10 September 2008, BCP entered into an oral agreement with Pioneer Fishing in terms of which Pioneer Fishing agreed not to sell the 20% of the catch reserved for it pursuant to the Sale Agreement into the same markets in South Africa where BCP or its

Namibian subsidiary was selling its horse mackerel. These markets were the Limpopo Province, Mpumalanga and the North West Province.

2.2.8 It was alleged that the agreement continued for the duration of the 2008 Catching Agreement, the Sales Agreement and the 2009 Catching Agreement mentioned above, being until the end of the 2010 season.

2.2.9 Pioneer Fishing does not admit entering into the oral agreement alleged in clause 2.2.7 above.

2.2.10 The above conduct of the Respondents contravene section 4(1)(b)(ii) of the Act in that it constitutes an agreement between parties in a horizontal relationship to divide markets by allocating territories and/or customers.

3. The Complaint Referral

The *Commission* referred the above complaint to the *Tribunal* on 19 March 2014.

4. Admission

4.1 Pioneer Fishing admits that the Sale Agreement entered into with BCP is in contravention of section 4(1)(b)(ii) of the Act in that it constitutes an agreement between parties in a horizontal relationship to divide markets by allocating territories and/or customers, since the Sale Agreement provided that Pioneer Fishing was only entitled to sell the horse mackerel in the local market, thereby prohibiting it from selling horse mackerel in the export market. The conduct commenced in August 2008 and continued until 31 December 2010.

5. Agreement concerning the Respondent's future conduct

5.1 Pioneer Fishing agrees to:

5.1.1 Develop, implement and monitor a competition law compliance programme incorporating corporate governance designed to ensure that its employees, management, directors and agents do not engage in future contraventions of the Act. In particular, such compliance programme will

include the following:

- 5.1.1.1 The identification by Pioneer Fishing of competition risks relevant to its business and the monitoring thereof;
 - 5.1.1.2 provide specific training on competition law aspects particularly relevant to Pioneer Fishing;
 - 5.1.1.3 ensure that such training will be made available to all new members joining Pioneer Fishing. Furthermore, Pioneer Fishing will update such training annually to ensure on an on-going basis that it and its members cannot engage in any anti-competitive activities
- 5.1.2 To submit a copy of such compliance programme to the Commission within 60 days of the date of confirmation of the Settlement Agreement as an order by the Competition Tribunal;
- 5.1.3 To circulate a statement summarising the contents of this Settlement Agreement to all management, operational staff and members of Pioneer Fishing within 60 days from the date of confirmation of this Settlement Agreement by the Tribunal;

6. Administrative Penalty

- 6.1 Having regard to the provisions of sections 58(1)(a)(iii) as read with sections 59(1)(a), 59(2) and 59(3) of the Act, Pioneer Fishing accepts that it is liable to pay an administrative penalty.
- 6.2 The parties have agreed that Pioneer Fishing will pay an administrative penalty in the amount of R717 960.92 (seven hundred and seventeen thousand nine hundred and sixty Rand and ninety two cents).

This amount does not exceed 10% of Pioneer Fishing's total annual turnover in the Republic and its exports from the Republic during Pioneer Fishing's preceding financial year;

6.3 Pioneer Fishing will pay the amount set out in paragraph 6.1 above to the Commission within thirty days from the date of confirmation of this Settlement Agreement by the Tribunal.

6.4 The penalty must be paid into the Commission's bank account which is as follows:

NAME: THE COMPETITION COMMISSION
BANK: ABSA BANK BUSINESS BANK
ACCOUNT NUMBER: 40-8764-1778
BRANCH CODE: 632005
PAYMENT REF: 2011MAR5719PIONEERFISHING

7. Full and Final Settlement

This agreement, upon confirmation as an order by the Tribunal, is entered into in full and final settlement and concludes all proceedings between the Commission and Pioneer Fishing relating to any alleged contravention of the Act by the respondent that is the subject of the Commission's investigation referred to the Tribunal under CT Case No. 018622.
