2. THE COMMISSION'S INVESTIGATION AND FINDINGS

- 2.1 On 28 July 2014, the City of Cape Town Metropolitan Municipality ("City of Cape Town") submitted a complaint to the Commission against Enviro Options (Pty) Ltd ("Enviro Options"), African Sanitation (Pty) Ltd ("African Sanitation") and Sakhikhaya Supplies CC ("Sakhikhaya"), hereinafter called the "Respondents", for engaging in conduct in possible contravention of section 4(1)(b) of the Competition Act no. 89 of 1998, as amended ("the Act"). This complaint was investigated under case number: **2014JUL0400**.
- 2.2 The allegations against the Respondents are that they entered into an agreement and / or engaged in a concerted practice to fix prices, divide markets by allocating specific products and tendered collusively when responding to tender number: 230S/2012/13 issued by the City of Cape Town for the servicing, maintenance and cleaning of dehydrated toilet units meant for the informal settlements in the City of Cape Town for a period of 3 (Three) years ending 30 June 2015. The tender was divided in two parts, these being the single (urine diversion) use toilets and communal (evaporation) use toilets within the City of Cape Town's informal settlements.
- 2.3 On 03 March 2021 the Commission filed two separate complaint referrals with the Tribunal under case numbers CR206Mar21 (single use toilets) and

CR205Mar21 (communal use toilets). Enviro Options was the common respondent in both matters.

Conduct Relating to Single Use toilets

- 2.4 The Commission investigation found that on or about January 2013 Enviro Options and African Sanitation discussed and agreed that African Sanitation would only submit a bid for part of the tender related to the servicing, maintenance and cleaning of dehydration toilet units for single use while Enviro Options would only submit a bid for the part of the tender related to the servicing, maintenance and cleaning of dehydration toilet units for communal use. Both firms submitted their bids as per the collusive agreement.
- 2.5 This conduct between Enviro Options and African Sanitation amounts to market division by allocation of specific products and collusive tendering in contravention of sections 4(1)(b)(ii) and (iii) of the Act.

Conduct Relating to Communal Use Toilets

- 2.6 The Commission investigation found that Enviro Options and Sakhikhaya quoted the same prices on 3 out of 4 line items in relation to the servicing, cleaning, monitoring and condition reporting of communal use dehydration toilet units. Enviro Options and Sakhikhaya also quoted the same prices on all 27-line items in relation to supply, deliver and fit spare parts as well as supply of cleaning accessories for communal use dehydration toilet units.
- 2.7 This conduct between Enviro Options and Sakhikhaya amounts to price fixing and collusive tendering in contravention of sections 4(1)(b)(i) and (iii) of the Act.

3. ADMISSION OF LIABILITY

- 3.1. Enviro Options does not admit liability in respect of the prohibited conduct described in paragraph 2 above.

- 5.2. Enviro Options will pay the amount of the administrative penalty set out in paragraph 5.1 above to the Commission in 12 (Twelve) instalments payable within a period of 3 (Three) years from date of the confirmation of this Consent

Agreement as an order of the Tribunal.

- 5.3. Interest on the remaining capital amount shall accrue as from the first anniversary of the confirmation of the Consent Agreement as an order of the Tribunal.
