2. THE COMMISSION'S INVESTIGATIONS AND FINDINGS

- 2.1 In September 2008, the Commission received information from anonymous source regarding the meetings which allegedly took place in Cape Town and Gauteng between various cycling retailers and wholesalers. The Commission was also provided with minutes of one such meeting. These minutes were also posted on the Hub Website, a web based forum for cycling enthusiasts in the cycling industry. The minutes provided to the Commission were of a meeting which occurred on 10 September 2008 ("the September 2008 meeting") in Midrand.

A handwritten signature in black ink, appearing to be 'JMA', located at the bottom right of the page.

2.2 As reflected in this minutes, the following key issues were discussed:

2.2.1 Increasing gross margins by increasing mark-ups for cycling accessories from 50% to 75%, and for bicycles from 35% to 50%;

2.2.2 A proposed time for the price increase (as from the 1st October 2008);

2.2.3 Getting rid of discounting and of shops undercutting each other;

2.2.4 Getting wholesalers to provide higher recommended retail prices ("RRPs") to the retailers and advertise these prices to the public.

2.3 Based on this information, the Commission initiated a complaint in terms of section 49B of the Act, on 5 March 2009 against FPC and Cycle Lab (now Melody) under CC Case Number: 2009Mar4326. The representatives of these firms were identified as having been the instigators behind the September 2008 meeting. Both the firms against whom the complaint was first initiated are cycling retailers.

2.4 The Commission later obtained further information implicating other firms and the Commissioner amended the first initiation to include other respondents on 12 May 2009.

2.5 Following an investigation, the Commission referred the complaint to the Tribunal on 25 June 2010 against 28 respondents who were both cycling retailers and wholesalers,

including all of the respondents identified in the amended initiation. On 12 November 2010, the Commission filed its amended notice of motion and supplementary referral affidavit.

- 2.6 Pursuant thereto, the Commission withdrew the first referral on 10 June 2011 against all respondents named in the first referral.
- 2.7 On 18 July 2011, the Commissioner then initiated a fresh complaint under CC Case Number: 2011Jul0155, into the allegations concerning primarily the September 2008 meeting and received additional information from certain respondents pursuant to the investigation of this complaint.

3. THE COMMISSION'S REFERRAL

- 3.1 Following its investigation, the Commission concluded that the conduct by Hotspot together with other respondents constituted a contravention of section 4(1)(b)(i) of the Act, in that they agreed, alternatively engaged in a concerted practice to directly or indirectly fix prices or other trading conditions. This includes both the retailers and wholesalers present at the September 2008 meeting since they are in the same line of business in respect of the sale of bicycles and cycling accessories and equipment, at the wholesale and retail levels respectively.
- 3.2 In light of its findings, the Commission decided to refer the complaint on 5 July 2012 to the Tribunal for determination.

4. AGREEMENTS

- 4.1 Admissions

Two handwritten signatures in black ink, one appearing to be 'H' and the other 'M', located at the bottom right of the page.

4.2. Future Conduct

4.2.1 Hotspot agrees to fully co-operate with the Commission in relation to the prosecution of any other respondents who are the subject of its investigations and referral to the Tribunal. Without limiting the generality of the foregoing, Hotspot specifically agrees to:

4.2.1.3 Desist from engaging in the conduct complained of.

4.2.2 Hotspot agrees that it will in future refrain from participating in meeting(s) aimed at engaging in a cartel conduct which may lead to a possible contravention of section 4(1)(b) of the Act.

4.2.3 Hotspot agrees that its employees, management, directors and agents will attend a competition law compliance training programme incorporating corporate governance to be provided by the Commission and designed to ensure that its employees, management, directors and agents do not engage in future contraventions of the Competition Act.

4.2.4 Hotspot will ensure that such training materials will be made available to all new employees joining Hotspot.

4.2.5 Furthermore, Hotspot will update and repeat such training materials annually to ensure on an ongoing basis that its employees, management, directors and agents do not engage in any future contraventions of the Competition Act

5. FULL AND FINAL SETTLEMENT

This agreement, upon confirmation as an order by the Tribunal, is entered into in full and final settlement and concludes all proceedings between the Commission and Hotspot relating to any alleged contravention by the respondents of the Act that is the subject of the Commission's investigation (CC Case no. 2011JUL0155).
